Week 8 and final organisation and preparations are being done to make our Matariki Ball a great success. Congratulations to the teachers for the effort of teaching our tamariki how to dance. The Matariki Ball for Rumaki and Auraki will be on Monday 2<sup>5th</sup> June, invitations will go home shortly. I mentioned to our tamariki I'll have to get hold of my Fairy Godmother as my ball gown is yet to be sorted. Matariki is an important time being our Maori New Year, preparing Papatuanuku for the new planting of kai for spring and summer harvesting. I think teaching our tamariki how to prepare a garden to grow kai in is important to help sustain their lives.

Room 8 is all ready to go. The steps have been completed, a new retaining wall and the footpath are all finished. The construction of the steps leading down to the swimming pool is the next job to be completed. We are hoping the weather stays fine so the stairway is completed on time.

Our tamariki seem to be fit and healthy keeping away from the flu bugs. However, if your child shows signs of a temperature or sore throat please keep them home.

Pai to wiki!

Nga mihi nunui

Whaea Tiria and Staff

At this time of the year, we have a lot of Polar fleece jackets laying around please ensure your child's clothes and shoes are named with a permanent marker. **I have been checking the clothes and there are no names on them. We cannot return the clothes to the owner if it is not named.**

## **School Accounts**

Whanau statements will be sent home over the next 2 weeks, should you have any queries with these, you can contact Whaea Ranui in the office between 8.30am – 2.25pm.
