Tena Koutou nga Whanau

Week 9 and Winter is well and truly here with frost hitting us hard.

Congratulations Whanau for taking the time to dress and groom your tamariki for our Matariki Balls. The whole school participation in this celebration enhances our tamariki experiences when participating in a formal event. Thank you to the teachers and Parent supporters who helped make this such a successful celebration. We are nearly at the end of term and it has been a nice way to round the term off. We have had Noho Marae this week which has a focus on whanaungatanga, manaakitanga and aroha, our school values. The Auraki had their Noho Marae as part of their Matariki ball. The Rumaki have Noho Marae today and tomorrow.

Please keep your tamariki home if they have a fever, being hot but cold (hands/feet ...) to the touch as this is the time when they are highly contagious and the flu can be passed to others easily. If they have the symptoms above and tiredness they will have the flu and need to stay home for up to a week.

The landscaping around Matua Rehua's classroom has been completed and access to and from his room is good to go. There are temporary wooden hand rails leading down to his room which will come down once the new metal rails are made.

Enjoy the rest of your week.

Nga mihi nunui

Whaea Tiria and Staff

Lost Property - Winter

At this time of year, we have a lot of Polo fleece jackets laying around please ensure your child's clothes and shoes are named with a permanent marker or Twink on the inside. The Twink cannot be removed from the fleece material. Always check your child hasn't accidentally put someone else's clothes or shoes on. **I have been checking the clothes and there are no names on them. We cannot return the clothes to the owner if it is not named.**

Reminder the School Drive Way

Please remember when driving to the back of the school there is a risk that a tamaiti may run out onto the drive way so traveling at a slow speed is essential for safety even if you are late. Also the bus has the right of way when coming up or going down the drive way. It is expected that any other vehicles will give the bus the right of way. Thank you for your understanding.

Bus

If your tamariki are not catching the bus home, please contact the school to inform Whaea Ranui of the changes before 12pm. This is a SAFETY issue which needs to be followed, so keeping our tamariki safe.

We have bus monitors who watch for tamariki who are not using our bus wisely. The monitors have a book to record those responsible for not adhering to school rules or policies.
