CAUGHT BEING GOOD STUDENTS

LET'S GET WIGGY

Wednesday 9th September – Get Wiggy for Kids with Cancer. Wig Wednesday is a day where we will support tamariki who have Cancer and have to face the world with no hair. We would love our tamariki to come to school in their House colours and sporting a wacky hair do or wonderous wig for the day. Please could we ask that they also bring a gold coin donation to support the Child Cancer Great prizes up for grabs.

Mission Statement

The children at Whangamarino School will stand tall and be caring and honest in all aspects of their life so they may strive to do their personal best

School Newsletter

Week 7 – Term 3

Te Panui o Whangamarino

Tena koutou katoa / Dear Parents, Caregivers, Whānau and Community Members

Our last few newsletters have contained our students stories, artwork, photographs of science experiments, students participating in Kapahaka and Production, students baking and so many other aspects of rich teaching and learning programmes that are offered at Whangamarino School. Today you will find yet more in this one – enjoy! Literacy and Numeracy learning provide a strong basis for students to access the curriculum across the whole New Zealand Curriculum and Te Marautanga o Aotearoa.

While all of our tamariki experience success, learning is not linear. At times, when our tamariki struggle to make the progress teachers and parents want them to make, we have solid Action Plans in place to support them to get there. Although our kura has been closed for a number of weeks in Terms 1 and 2 due to Covid 19, targeted learning has continued in the classroom. The Matific numeracy boost programme has been in place across the kura. The literacy boost programmes like Te Huinga Raukura in Rumaki and Reading Eggs in Auraki (all programmes funded by Ngati Whakaue Education Endowment Fund), support agencies, teacher aides working alongside quality teachers in classrooms and parents supporting at home are all part of the recipe for support and success. Alongside this we employ teachers who believe in all tamariki achieving, are committed to getting them there and create warm, supportive learning environments for students to feel safe and take risks with learning.

All learning at Whangamarino School is future-focussed, preparing our tamariki with the transferable skills necessary to operate in whatever future they may find themselves in. I am extremely proud of the leaders in our kura Matua Rehua Mihaka, Whaea Tiria Haylock and Whaea Miriata Oranje for collating and analysing student data for our Board of Trustees. All data will be shared with you in next weeks newsletter.

Congratulations To Whaea Denice Langendoen for winning our Secretary / Office Administrator role. Denice has been working with Whaea Tesh in the office for a long time now and has an excellent grasp on what is expected in this role. We all look forward to continuing to work with her.

Congratulations to Taine Anapu for winning our Daffodil Day 'guess the lollies in the jar' competition. Taine guessed 1150 lollies and there were 1151. Our thanks to everyone who participated in this fundraiser. We made approximately \$250.00 for the Cancer Society.

Welcome – A warm welcome to our new student Anahera Brown-Wyatt. We hope you enjoy your time with us here at Whangamarino School.

Welcome also to our two new kaiawhina, Whaea Amanda Hunter and Whaea Kayla Bishop.

Welcome to Paerangi Haimona for winning a position with our Free Health Lunch providers Libelle Group.

Production – Maui and the Genie - I am sure you must all appreciate that a School Production is a considerable undertaking and I would like to congratulate our tamariki for all of their hard mahi in preparation for our Production. My thanks also to our Director Whaea Angie Belcher and our kaiako who have been working hard over the last few weeks. For this reason we are pleased to let everyone know that we will be continuing with our wonderful Production this term under Alert Level 2. Woohoo, we are all very excited about this decision.

There are rules for gatherings to plays and performances at Alert Level 2, for example (we will need to keep the cast and backstage crew separate from the audience for the duration of the event. We can have up to 100 people in our audience at a time. In other words on stage and back stage is one defined space, and the setting out front is another defined space.

To make this easier for us we have decided to hold two matinee (day time) performances (Monday 21st and Tuesday 22nd September) and one evening performance. The matinee performances will allow our Koeke, the Kohanga Reo, local trust representatives, Lake Rotoma School and Te Kura Kaupapa Maori o Rotoiti and whanau to attend during the day.

We will be holding only one evening performance (Wednesday 23rd September at 6pm) for whanau members that work and can only make it at night. For the evening performance we are able to keep our students here at kura and give them a sausage sizzle for dinner and then start preparing them with makeup and costumes straight after dinner. However, if you want your child to go home on the bus first and bring them back at 5pm to get ready that is fine too. At the end of the evening show all tamariki will need to go home with parents. We will need to confirm numbers a bit closer to the date for all performances.

A big mihi to Paehinahina Mourea Trust for donating \$1,000.00 towards our production. We are very grateful for this amazing koha!

Emergency Drills - Over the following weeks we will be holding our emergency drills. We will be practising a fire, earthquake and lockdown drill over the next few weeks. Please talk with your tamariki about how these drills would work at home if there is a fire, earthquake etc.

Staffing for 2021 Prior to the end of this term I will hear about our potential staffing numbers for

2021 and this will enable me to begin planning for 2021 which I am sure we all hope, will be free of the ups and downs we have had this year due to Covid 19.

Te Roopu Manaaki Fundraiser this Friday at 6.30pm at Pikiako League Club – A reminder that this Friday is our Batons Up. We have approximately 30 more battons to sell.

The kitchen will open at 5pm, so please come along and join us for dinner. The menu is below. We will need parent helpers in the kitchen before and after dinner is served. Please come along and join in the fun. Any queries please contact Whaea Hilz here at kura.
